Jerry Smith, Scholarship Committee Chair, 651-201-4657

BACHELOR OR ADVANCED DEGREE PROGRAM SCHOLARSHIPS

The Minnesota Section of the American Water Works Association (MN-AWWA) awards up to three (3) \$2,000 scholarships per year to individuals enrolled in Bachelor or Advanced degree programs that benefit and support the water industry (science, engineering, business, sales, etc.).

Basis of Award

- Student must be a junior or senior in a four-year water-related bachelor's program at an accredited institution, or in a water-related graduate program at an accredited institution during the scholarship year
- Student must submit all information requested on the Minnesota AWWA scholarship application form
- Student must submit a current transcript from the college(s) or University of attendance.

Preference may be given to:

- Applicants that currently are members of MN-AWWA for more than one year, or whose parents have been members of MN-AWWA for more than one year, or who themselves or parents work for a utility member of MN-AWWA
- Applicants who are actively involved in the Section or whose parents are actively involved in the Section, (committee members, District or Section officer, conference presenter, etc.)
- Scholastic achievement (grade point average)
- Applicants involved in student chapters, professional societies, research, and/or summer work in water-related fields
- Perceived financial need

The application deadline to be considered for a scholarship for the school year starting the following fall is June 1. Applicants will be notified of the final decision by July 1. The winners of the scholarship awards will be declared and presented at the Annual Conference normally held the first week of October.

The Application is to be submitted to the Section Secretary/Treasurer

Student must submit evidence of attendance from the college or university (copy of upcoming fall semester fee statement)

No student shall receive more than two scholarships from the Section within a ten-year period.

If no students meet the criteria, no awards shall be given.

Awarder's Obligations

Acceptance of the scholarship does not obligate the awardee to enter a water-related field as a career; however, such acceptance does obligate the awardee to pursue diligently his/her chosen course of study through the award year.
